

Identification Information

Everyone deserves a fair opportunity. FSBPT rules require that Prometric verify two (2) forms of identification when taking a test to maintain the integrity and reputation of the exam and to protect the identity of each test taker.

You must present two (2) valid forms of identification at the Prometric Test Center prior to taking an exam - one primary and one secondary ID from the list below.

Your first and last name on both forms of identification must exactly match the first and last name on your “Authorization to Test” letter issued by FSBPT. Your middle name/initial is not required.

Primary Identification

Currently valid, government-issued, has a photograph of you, is pre-printed with your name and signature.

Examples

- ✓ Driver's license
- ✓ Passport
- ✓ State identification card with photographs

Secondary Identification

Currently valid, pre-printed with your name and signature.

Examples

- ✓ Credit card
- ✓ ATM card
- ✓ School identification card

Not Accepted Identification

- ✗ Social Security card
- ✗ Temporary ID
- ✗ Expired passport or driver's license

Special Notes from FSBPT

If you are not allowed to test because of a problem with your identification, you will have to wait until the next exam administration, usually three (3) months.
